

International Share Transfer Request

Internal Transfer

WealthHub Securities Limited
ABN 83 089 718 249
AFSL No. 230704

GPO Box 4545
Melbourne
VIC 3001

Telephone 13 13 80
nabtrade.com.au

Note: You are completing a request to transfer your current nabtrade International Account holdings into your nabtrade Multi Currency Facility trading account. Only full holdings can be transferred across meaning no residual balances of securities can be left in your original International Account.

To effect a transfer, a hold will be placed on your AUD settled account in order to prevent the purchase/sale of shares. Shares cannot be transferred from your Multi Currency Facility Settlement Service (MCFSS) account to your AUD international account.

To execute the share transfer. Please complete and return this form to nabtrade via **forms@nabtrade.com.au**. If you need help completing this form, please call us on 13 13 80.

Internal Share Transfer Checklist

- ☐ You have an active international share trading account that settles on an Australian Dollar (AUD) basis and an active international share trading account that settles via the Multi Currency Facility Settlement Service (MCFSS) held under the same legal entity on the nabtrade platform.
- ☐ You have no outstanding orders, pending trade settlements or inflight corporate events to be processed on your existing AUD settled international trading account.
- ☐ All required account holders have signed this document. For Joint Accounts both holders of the account are required to sign using a wet signature. For Company Accounts with two or more Directors, either both Directors sign, or one Director and the Company Secretary sign.
